HAPPY
New Year
2026

**Happy New Year from the Village Voice!!
What ya figure 2026 will bring? Let's see!**

Global economy: Most forecasts project “sturdy” global GDP growth, with Goldman Sachs Research expecting 2.8% . Growth in the U.S. is projected to be 2.2%-2.6%, while China may moderate to 4.5%-4.8% due to sluggish domestic demand. This resilience is supported by AI investment and proactive policy responses, though a 35% probability of a U.S. and global

recession is also noted by J.P. Morgan Global research.

U.S. Economy: The U.S. is expected to see growth, though possibly at a more modest pace than in 2025, potentially around 2.25% Key factors include the impact of fiscal stimulus from the “One Big Beautiful Bill Act,” which is expected to boost GDP in the first half of the year, and continued high capital expenditure related to AI.

Inflation and Interest Rates: Inflation is expected to remain “sticky” and above central bank targets (likely over 2% and potentially above 3% in the U. S. due to tariffs). This will lead to a gradual approach to interest rate cuts by the Federal Reserve, with several cuts anticipated throughout the year and potentially reaching a target range of 3.0%-3.5% by mid 2026.

Stock Market: Analysts are cautiously optimistic, with consensus estimates projecting an 11% rise for the S&P 500 for the year. While tech remains a dominant theme, performance is expected to broaden into non-AI sectors like financials, healthcare, and utilities.

Labor Market: The labor market is expected to cool but avoid a recession-level collapse, with the unemployment rate potentially rising to around 4.5% Companies are focusing on efficiency through AI and managing costs, which may limit new hiring.

Equity Markets: A positive outlook for global equities is broadly shared, with forecasts for double-digit gains across developed and emerging markets. The S&P 500 is projected to rise, driven by strong corporate earnings tied to the AI “super-cycle”. However, market concentration in tech stocks is a concern, and a correction of 10-20% is a possibility if earnings disappoint.

Artificial Intelligence (AI): AI is viewed as a key driver of structural economic transformation, boosting producing and investment across many sectors, from technology and utilities to healthcare and defense.

Geopolitical fragmentation: Global trade policy is expected to remain a dominant theme, with elevated tariffs and a focus on national security over cost optimization. This could lead to supply chain realignments and increased investment in domestic infrastructure and energy security.

Spencer Library news....

January Events:

Cotton Swab Snowflakes: January 2nd from 11:00am-12:00pm. Participants will arrange cotton swabs to make a snowflake pattern and glue their creation on colored construction paper. All materials will be provided, just bring your creativity!

Fiber Artists Meetup: January 2nd from 1:00-3:00pm. Bring your current project—whether you knit, crochet, embroider, or do other fiber arts, all are welcome! Swap ideas, learn new skills, or simply enjoy some social time.

Ready, Set, Game!: Come hang out at MCPL-Spencer every Saturday during open hours to play a variety of card and board games! Bring your friends, family, or come solo and play with others in the community. We've got a great selection of games ready to play—but you're also welcome to bring your favorites and show others how it's done.

Women of the Quilt: January 13th from 10:00-11:00am. Join us for a presentation led by Ronald Draeger, a member of the Spencer Historical Society. In his presentation, "Women of the Quilt," he will discuss the local Spencer women born in the late 1800s who are featured on a beautiful, handmade quilt. Participants are encouraged to bring their own interesting quilts to share with others.

Cribbage: January 13th from 1:30-3:00pm. The library will provide the cards and boards but feel free to bring your own.

Family Story Time: January 20th from 10:30-11:00am. Children ages 5 and younger, along with their caregivers, are invited to join us on the third Tuesday of each month for lively and engaging family story times! Each session features a delightful mix of stories, songs, and activities that foster early literacy, creativity, and a love of reading.

Closings: The Spencer Library will be closed on January 1st and 19th.

Spencer Library Hours: Monday and Wednesday from 1-7pm. Tuesday, Thursday and Friday from 10-4pm. Saturday from 10-2pm.

Spencer Kids Group: A Look Back at 2025

As we wrap up 2025, I can truly say, it was a busy year, but such a joyful one at Spencer Kids Group. This year was full of laughter, learning, challenges, growth, and most importantly, kids making memories that truly matter.

Throughout the year, we welcomed so many kids through our doors. Every child brought something special with them, and we were honored to be part of their journey. We helped with homework, supported them wherever they needed it, and worked hard to make sure SKG stayed a safe, welcoming place where kids can just be kids.

One of the biggest highlights of 2025 was our Summer Rec Program, and okay, I might be a little biased, but it was one of the best ones yet (haha, just kidding... but not really ☐). In just three weeks, we squeezed in eight different field trip locations, along with tons of hands-on activities, games, crafts, and lots of time spent simply having fun together.

Was everything easy? Absolutely not. There were hard days, long hours, and moments where things felt overwhelming. But with a positive attitude and our mission always in our hearts, we worked through every challenge. We want the best for our kids, and we truly give them everything we can.

I also want to say how incredibly grateful I am for our board members, our families, our volunteers, our amazing staff, and of course, the best kids ever. SKG wouldn't be what it is without each and every one of you, and I don't say that lightly.

Looking ahead to 2026, I already have so many ideas and plans in my head (and on paper!). I'll be sharing more details with everyone as we move forward, and I honestly can't wait to bring it all to life.

And just a little reminder before I wrap this up, Spencer Kids Group welcomes new kids anytime during the year. Enrollment is always open, and we would love to see more smiling faces walk through our doors.

Thank you for being part of our 2025. I'm so excited for what's ahead and so thankful to share this journey with our kids and our community.

Upcoming events in January:

January 25th - Winter Bingo

January 26th - Family Fun Night (Battle: Who is on Top? Kids vs. Parents) - everyone is welcomed!!

at the TACK

Happy New Year from everyone here at the LuCille Tack Center for the Arts. We have one more show coming to wrap up Act 1 of the 25/26 season. Thanks to our wonderful donors, our faithful patrons and a School District that supports the arts proudly, we've been able to make our season larger. One of the problems that came from the extra concerts was... 'how do we fit all of our concerts on one poster?' Stephanie Schauer at Quik Print came up with the idea to split the season into two 'Acts.' Dividing the season into two more digestible pieces worked well for the posters and for other promotional efforts. The acts don't affect our season ticket holders in any way but rather just are a gauge for how far along we are in the season. Our January show marks the halfway point for this year. Act 2 will begin in February.

Speaking of our January concert. Come and join us Friday, January 16 at 7:30pm for a terrific time of country classics!!! You will not want to miss this group. Mason Dixon Line will be bringing all of your country favorites to the Tack for a great night.

The band has recently added a lady fiddler to the group as well. The fiddle adds so much to the feel of the show and we're excited to host the Minnesota based band. Tickets will be available at the door and we're praying for good weather so we can welcome more of you.

Act two kicks off with Triple Espresso, a highly caffeinated comedy. Paul Somers will be playing Hugh Butternut, John Bush as Bobby Bean, and Patrick Albanese as Buzz Maxwell. The show tells the story of three guys whose bid for showbiz fame and fortune ended in 4-minutes of magnificent failure on national television. Hugh Butternut, Buzz Maxwell, and Bobby Bean tell their rags-to-rags story earnestly, with hysterical results. Butternut is a musician, a vulnerable soul with a lounge lizard smile; Maxwell is an uncertain magician with an attitude; and Bean is an irrepressible, all-over-the-map entertainer with big dreams. The laughter is infectious and the comedy appeals to everyone from first graders to college students to baby-boomers to grandparents. The show is Friday, February 13, 2026 at 7:30pm, makes for a great Valentine's night out.

Next up we will have The Barefoot Movement, a bluegrass crossover group out of North Carolina. The group has an incredible sound, fronted by married couple Noah Wall and her husband Tommy Norris.

See **TACK** on page 6

What's Rockin' in Rocketville

By Jason Gorst

Superintendent/School District of Spencer

Back in November, in guidance class, the 4th and 5th grade had a special guest from Mothers Against Drunk Driving (MADD). The presentation was called "Power Of Me!" The presentation discussed the dangers of underage alcohol and drug use, facilitated by a representative of MADD. Their mission is to end drunk driving, help fight drugged driving, support the victims of these violent crimes, and prevent underage drinking. The program aims to prevent underage drinking and reduce alcohol-related injuries and deaths among children and youth due to underage alcohol use and riding in vehicles with impaired drivers.

In early December, the kindergarten classes enjoyed their annual field trip to Vine's Tree Farm. They enjoyed learning about the growing process, picking out the perfect tree, hot chocolate, and a wagon ride.

On December 6th and 7th, Spencer High School students performed in the bi-annual Madrigal Dinner, which is an Elizabethan Christmas-style dinner. The event was another success! On December 10th, we had our first snow day of the year. The calendar is built to have two freebie snow days before we need to have virtual learning to take place in order to meet our state-required minutes of instruction. Going into January, we will have one more "freebie" day left before we need to utilize virtual instruction.

Our 5th-grade students came together to support the NOW (Nutrition On Weekends) program. Together, they packed 33 bags to help ensure families have extra food over the weekend during the holiday season. We are so proud of their teamwork, kindness, and willingness to give back to our community! The Spencer FFA again participated in Project Merry Christmas, where students visited various elderly members of the community to sing carols and deliver baskets.

The month of December was filled with Holiday Concerts. The elementary concert took place on December 11th. The winter choral and handbell concert took place on December 22nd. The handbell group also carried out their handbell tour on December 23rd. We are very proud of all of our musicians and music teachers!

At the time this article was written, we are looking for casual help in our daycare. We are looking to create a pool of casual workers and subs. If you are interested, reach out to Jason Gorst at jgorst@spencer.k12.wi.us or Liz Garton at egarton@spencer.k12.wi.us. We are also looking for a long-term 4K paraprofessional sub. Interested candidates for that position can reach out to Eddie Ikert at eikert@spencer.k12.wi.us. Finally, we are still on the lookout for casual drivers to

See **Rockin'** on page 6

TACK from page 5 They will bring a couple of band mates to play some incredible bluegrass/country tunes as well as turn your favorite songs into bluegrass covers. Noah's voice is one of a kind, her fiddle playing is excellent and the band brings many other instruments and talents to the table. This will be one of a kind show, we don't host groups like this very often. Saturday, February 21 at 7:30pm.

Thanks again for your aid this year in our season! We still hope for your financial support as a 501c3 organization. Your aid to the arts is vital and we thank you for nearly 30 years of spectacular shows and encouraged audiences.

See you at the Tack! ...Daniel Worsham

ARTS

From the Editor **The LUEPKE LOOK-OUT**

Just a little update on our main Cowboy. I wasn't even aware of the hip that Hunter played through and he did get a concussion from some friendly fire against the Queens but he bounced right back and didn't miss a game. He has played 49 of 50 games in his third year, proving once again that sometime your best ability is your avail...ability. Tough kid alright. Keep it up Hunter!!!

Cowboy's Hunter Luepke: Dealing with hip injury. Dec. 10 by RotoWire staff.

Luepke (hip) was a limited participant in Wednesday's practice. Jon Machota of the Athletic reports.

Luepke likely picked up the injury during the Cowboys' Week 14 loss to the Lions, when he played 40 snaps (21 on offense, 19 on special teams) and finished with two tackles. His ability to practice in a limited capacity indicates the hip injury isn't a long-term concern and he'll have two more opportunities to log a full practice and avoid an injury designation for Sunday's game against Minnesota.

Luepke (hip) was a full participant in Thursday's practice. Jon Machota of the Athletic Reports. Dec. 11.

Luepke's ability to string consecutive practices together is a great sign for his availability for Sunday's game against the Vikings. The fullback will have one more chance to avoid an injury designation for Sunday and even without a full practice Friday, he seems to be in a good spot to be able to suit up against Minnesota.

Luepke (concussion) is listed as questionable for Sunday's game against the Chargers. Jon Machota of the Athletic reports. Dec. 19.

Luepke was able to practice in full Friday but his questionable tag for Week 16 indicates that he is still in the league's concussion protocol, so he would need to be cleared to play Sunday. If he's not given the green light to play, then the Cowboys may turn to tight ends Brevyn Spann-Ford or Luke Schoonmaker to play some snaps at fullback for Week 16, given that there are no other fullbacks on Dallas' active roster.

Cowboy's Hunter Luepke: Clears concussion protocol. Dec. 21 RotoWire staff.

Luepke (concussion) is active for Sunday's game against the Chargers.

Luepke increased his practice participation over the course of Week 16 prep and he has progressed enough to clear the league's concussion protocol and be available for Sunday's home tilt. The third-year fullback turned five touches into thirty yards during the Cowboy's Week 15 loss to the Vikings before leaving the game after sustaining a concussion. **Editors Note:** Hunter played a significant role, particularly down the stretch, as the Cowboys held off the Commanders 30-23 on Christmas Day. He rushed for 30 yards on 7 carries and caught a pass for 14 yards.

Rockin' from page 5

transport students to and from various places using school vehicles. Interested candidates can reach out to Jason Gorst at the email listed above.

We celebrated the Captains of Character for the 1st Trimester for exemplifying outstanding character and leadership in our elementary school. Congratulations to Layla Neumann, Easton Follen, Laikyn Lenz, Holly Derks, Jazlyn Lang, Hadley Schar, and Vander Krause! This year we had our first annual Spencer High School Culinary/Baking Gingerbread Creations Competition. Our Culinary and Baking students have worked super hard over 3 weeks designing, baking and assembling their gingerbread creations. Winners will be announced in January.

School representative, Molly Attoe, and Church coordinators, Sue Toufar & Lori Kops, and an anonymous business collaborated to organize a Giving Tree. Ms. Attoe, our MS counselor, sent home letters & forms to families in need, got them returned to her, and shared information with church representatives who divided up the various tags amongst their congregations. An anonymous local business reached out with interest in doing an additional Angel Tree. A similar process was involved with the area business shopping for gifts, delivering them to Ms. Attoe, who then set up a time for the family to pick them up. Bridging Brighter Smiles was in the building on December 22nd and 23rd, and we want to thank them again for continuing to support dental health for our students.

It was a great month of December to be a Spencer Rocket!

2026 from page 1 Climate and Weather:

The UK's Met Office predicts 2026 will likely be among the four warmest years on record globally, with global temperatures expected to be approximately 1.46 degrees C above pre-industrial levels.

Major Events

Sports: The largest (48 nation Tournament) ever men's FIFA World Cup will be held in the U. S. , Canada and Mexico.

The winter Olympics and Paralympics will take place in Milan-Cortina, Italy.

The Commonwealth Games return to Glasgow, Scotland.

Astronomy: The first total solar eclipse in Europe in over 20 years will occur on August 12, visible in Northern Spain, Iceland and Greenland.

U. S. History: The U. S. will celebrate its 250th anniversary of Independence on July 4, 2026.
