From the Editor *The LUEPKE LOOK-OUT*

as we anticipate the start of the regular season. Hunter didn't play in any of the pre-season games because, according to Siri or Alexa or whoever the heck I was listening to "he was among several veterans and expected starters who were held out of the game by the coaching staff." You'll probably see Hunter with a new number this season. The photo to the left is Hunter and 37 year old Von Miller, a recent Cowboy signing (desperation, anyone). He offered Hunter a lifetime supply of chicken for his number 40. No, I'm not kidding. Supposedly Miller will wear 40 with Hunters' number TBD. That's Hunter. Anything for a teammate. We'll see. The Cowboys' season begins in NY vs. the Giants @ 7:25 on NBC.

This will be a briefish Luepke Lookout

Go Hunter!

at the TACK

Fall is a season where things that are green fade. The crops are harvested, the trees and the grass turn shades of yellow, orange, and brown. Yet, Fall is also where things begin. The young ones start school, Football season kicks off, and most importantly, the LuCille Tack Center begins their season of events! We actually will be hosting our first Arts Adventure Show for Central Wisconsin students on Monday, September 28th. The beloved science guy, Mister C will be back for his third consecutive season at the Tack. Mister C has established a large internet following and Emmy Award winning programming like DIY Science Time and Speakers and Beakers. The children are excited to see his show entitled 'When Science Goes Viral,' not at all referring to viruses, rather in reference to the most 'viral' or popular science experiments among students.

Kicking off the regular season on Saturday, October 3, will be the famed Chris and Taylor Malpass. The Malpass Brothers and their band will perform traditional country music as well as some originals that you'll swear must have been written in the good ole days. The Malpass Brothers are anything but a "throwback" cover group. Instead, they are the "real deal." Mentored and credentialed by the biggest legends of country and bluegrass, the brother duo continues to deliver new traditional music for modern times. If you like them on RFD TV, Larry's Country Diner, or in their performances at the Grand Ole Opry, you will love their show here in Spencer!

An LTCA favorite will be back in town as well. Michael Perry, popular Wisconsin author, speaker, musician will be back at the Tack, Saturday, October 24. Michael is known for his New York Times best selling books, Population 485, Truck: A Love Story and many more. His musical group The Long Beds will join him at the LTCA and will play wonderfully written country/folk tunes along with Perry's sought after antics. He's been described as Wisconsin's Garrison Keillor and you will not want to miss out on this special show.

Why not sign up for one more? The Milwaukee based blue grass group Chicken Wire Empire will be here at the LTCA Thursday, November 12 at 7pm. The group has a beautiful sound featuring fiddle, banjo, mandolin, upright-bass, guitar and more! If you enjoyed The Barefoot Movement last year, you will love CWE.

Please don't hesitate to get your tickets reserved for the Christmas shows! Tickets to Boogie and the Yo-yoz 'Christmas with You' December 5, and Christmas with Lorie Line 2026 are about half sold already.

September is also the month where representatives of the LuCille Tack Center head to the annual booking conference. The MAX conference will be held in Milwaukee's Baird Center September 22-25. Theresa Schauer (Vice-President), and myself (Daniel Worsham) accompanied by my lovely wife, Hana, will be meeting with agents, discussing hundreds of artists, attending professional development seminars, and watching showcases of dozens of entertainment acts that are on tour around the country and around the world. Most major performance venues attend conferences like this to help the programming process. This marks the beginning of the programming process for the 2027/2028 performance year.

What's Rockin' in Rocketville

By Jason Gorst
Superintendent/School District of Spencer

We welcomed some new staff members to this district to start the year. When new teachers are brought into the district, we have them participate in a mentoring program. Our mentoring program is collaborative in nature and designed to get new teachers off to a good start in their career and/or new school. Please join me in welcoming the following new staff members to the District! • Emma Winter- Kindergarten • Riley Matson- HS Math • Marah Bodendorfer- 4th Grade • Brett Bangart- MS ELA • Sydney Schultz- MS Math • Linda Hall- Food Service (started last year) • Lori Kruszewski- Early Childhood • Staci Hinker-Elementary Paraprofessional • Becca Kuehmichel- 5th Grade We also had a number of people transfer or move into different positions. Those are listed below. • Nick Viegut- MS/HS Principal • Andy Hogden- Dean of Students/AD • Jeff Fischer- Student Success Coordinator • Nicole Fischer- Math Interventionist • Janet Wolf- 4K • Patti Jennings-3rd Grade • Brianne Anderson- Fulltime Childcare.

In late August, we had our staff in for a four-day in-service. We do this annually to prepare for the upcoming school year. This year we will have a focus on helping students who are in need of assistance, whether it be for academic, social, or emotional needs. This could take place via formal interventions or less formal methods to provide support. We also had Peaceful Warriors come in to do a Tier 1 school safety training with the staff. Hats off to the district leadership team for their efforts in planning these very impactful days. It was great to see everyone back in action!

We had a lot of facility work taking place over the summer. We renovated the roof over the high school. Our roof is divided up into about 32 sections. We take on 2-3 sections per summer. This allows us to keep up with things and avoid a major roof renovation down the road. We also finished our hallway painting and hallway flooring project throughout the school. The middle school and high school hallways have a fresh coat of Rocket colors! The old wrestling gym and cafeteria were also painted. The hallways near the middle school counseling office and the old locker rooms were also resurfaced. Our big project this summer was window replacements. We replaced nearly all exterior windows, including new shades, screens, and exterior panels. The windows in the new parts of the building were not part of this project. In the front of the building, we had some of the concrete replaced on our sidewalks, and the circle drive by the LTCA was also resurfaced. Shout-out to Derek Evenson, our Facility Manager, for coordinating these projects.

Again this year, we planned to have August 26th and 27th serve as our first days of school. We get additional aid from the state on this. While we cannot hold students accountable for truancy regarding attendance on these days, we sure do want to see the students in the building. We are able to get pictures taken and get through a lot of logistics to get the year off to a good start. This year we will be done with school earlier. I plan to obtain more feedback from the community on this topic. The official first day of school is September 1st.

In recent months, there has been a significant amount of legislation passed that is often referred to as the anti-grooming laws. Act 57, Act 88, Act 89, Act 186, and Act 185 are the major acts related to this. We have updated our policies to be in line with state law. Those policies can be found on our website.

From the Editor Since I was going to gloat about the Brewers season anyhow, I'll go right ahead, despite their loss to the Rangers today. That's the funny thing about the Brewers the last few years, you better not give up on them, they have a knack for coming back to win. Alas, not today. They have the best record in MLB at 85-52. They've won 7 of their last ten with 25 games to play. They are remarkably consistent. Most of their starting pitchers are under 25 years old. Many of their players in the field are under 25 years old. They're best hitter is Jackson Chourio. He's 22 and on the verge of superstardom.. Jacob Misiorowski is 24 years old. He's thrown 762 pitches over 100 MPH this season. That's about 40% of his pitches. He's thrown more pitches over 100 than most teams. Their farm system is elite and ranked first in the majors. 21 year olds SS Cooper Pratt and outfielder Luis Lara are now in Milwaukee and doing well. There will be more youngsters next spring and the year after that and the year after that. They traded for pitching at the trade deadline like always. In the off-season they'll trade an asset or two that they can't afford and take in young, affordable players that we'll see on TV or hear on the radio a few years down the line if not sooner. I'm out of breath. One cool thing. Gary Sanchez hit his 200th career home run today. El Gary is a grizzled old catcher who looks like he should be in a beer commercial. No better team than the Brewers. Enough said.

9am worship!

Backpack Blessing
 Students (from preschool to college, alongside teachers and school staff) are invited to bring their backpacks, chrome book, etc to the service for a special blessing during worship.

Fall Sports Blessing
 Players and coaches of all fall sports are invited to wear your team jerseys, shirts or uniforms to church for a special blessing during worship as we pray for the safety, sportsmanship, and spiritual growth of students, coaches, and families ahead of the autumn sports season.

SKG News

The month of August was a bit slow for us with families trying to get much needed vacations done before the school year starts. I am excited to say we already have kids registered for the new school year and appreciate Burnett Transit for dropping off these kiddos at SKG after school. Our SHIP (homework program) will begin on September 14th.

I would like to share on a sad note as Diana Ventsel has ended her adventure with SKG. We would like to send out a big thank you to her for the time she spent with us as she has a special place in every child's heart. However, some good news to share as we have Ashlyn Guldán starting as the new Youth Program Center Director on August 31st. Please stop in and say hi and we look forward to her sharing more news in the upcoming months.

We have our upcoming Klubs 4 Kids Golf Tournament happening on Saturday, September 12th and we still have room for teams to register.

TACK from page 3

We do not exclusively book our events from this conference but, as you can imagine, it is remarkably helpful to see an entertainer in person, before you purchase them. My last note for September will be this. The LTCA has been working for almost a year to update, tune, and bolster our security and emergency action protocol so that our patrons, artists, staff and volunteers are prepared and safe. We are excited to share with you the fruits of this work, this season. Thank you to the LTCA board and all the entities involved in the research and execution of this work. It is going to be an exciting and safe season here at the Tack! -Daniel Worsham

As part of this process, we are requiring our staff to utilize ParentSquare to communicate with students. This is something we started almost a year ago.

We are in the process of preparing the annual budget. The annual meeting will be held on September 16th at 6:30 PM in the Distance Learning Center. We invite the community to come in for this meeting. We will be presenting the preliminary budget. The previously passed recurring referendum will add \$150,000 to the budget. This year we saw a decline in state aid, which unfortunately leads to increased local taxes. We will also be presenting an update on our strategic planning process. We will discuss our goals around College, Career, & Life Readiness, Health & Wellness, Facility Management & Financial Sustainability, Staff Retention, Recruitment & Development, and Community Engagement & Family Relationships. We would love to see more people come out to the Annual Meeting!

Spencer Library news....

September Events:

Author Visit: "Lily of the Valley" with Mary Anne Arendt: September 1st from 10:00-11:00am in the community room. Adults are invited for a special author visit from Mary Anne Arendt. Mary Anne is a Spencer local and just finished her second book, titled "Lily of the Valley" as part of her "Ratting on a Fish" series! Mary Anne will talk about her new book and answer audience questions. Copies of her books will also be available to purchase at the event.

Play & Learn: Fall Colors: September 4th from 10:30-11:30am. Young children and their caregivers are invited for a story, music, crafts, and more—led by Children's Wisconsin! Join us for a special fall color-themed play & learn as we make a leaf craft.

Recipe Swap: September 4th from 1:00-2:00pm. Bring in a copy of a favorite recipe and then grab a new recipe or two from a fellow participant.

Fiber Artists Meetup: September 4th from 1:00-3:00pm. Whether you knit, crochet, or embroider, all are welcome! Bring your current project to work on, and meet with others to swap ideas, learn new skills, or simply enjoy some social time.

Cribbage: September 8th from 1:30-3:00pm. New players are always welcome.

Family Story Time: September 15th from 10:30-11:00am. Children age 5 and younger, along with their caregivers, are invited to join us for a delightful mix of stories, songs, and activities that foster early literacy, creativity, and a love of reading.

Book Club: On September 21st from 1:00-2:00pm the Spencer book club, "As the Page Turns," will be discussing Horse by Geraldine Brooks.

Friends of the Library Spencer Book Sale: September 23rd from 1:00-7:00pm and September 24th from 10:00am-3:00pm in the community room. All proceeds from these Friends sales go right back to MCPL to fund all the great programming we do throughout the year!

Rock Painting: September 25th from 11:00am-12:00pm. All ages are invited to the library where we'll have everything you need to paint your own rocks!

Closings: The Spencer Library will be closed on September 5th and 7th.

Spencer Library Hours: Monday and Wednesday from 1-7pm. Tuesday, Thursday and Friday from 10-4pm. Saturday from 10-2pm.
