Ixonia Commercial/Industrial User:

Pursuant to the Ixonia Utility District ordinance, we are requesting current information concerning your business use of the Ixonia sewer utility. The contents will be kept in strict confidence and will be used only by the District to confirm the accuracy of the number of units you are being charged for.

Please complete all applicable areas and **return in self-addressed stamped envelope within 10 business days**. Thank you for your cooperation.

Business Name: _____ **Phone #:** _____

Business Address: _____

Type of Business: _____

Future Additions Planned: _____ **When:** _____

Number of full time employees:

First Shift: _____ Second Shift: _____ Third Shift: _____

Number of Part-time employees: _____ (Works less than 20 hrs. weekly)

Roof gutters, French drains, and sumps/flood control systems connected to your sanitary sewer are illegal.

Do you discharge any non-domestic bathroom wastewater or solvent based cleaner to the sewer system? ____ If yes, please explain:

Do you currently have a grease trap? ____ If yes, when was the last cleaning? _____

To prevent problems, place paper towels, feminine products, dental floss and other personal hygiene products in a wastebasket. Don't pour grease, fats, or oils down the drain. Make sure to keep large shrubs and trees away from sewer lines to prevent "root balls" from damaging the mains.
