To the Board of Directors:

I have audited the financial records of the Lawrence Lake District including the Checking and Money Market Accounts, including related statements of activities as of June 30, 2023. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on the audit.

I conducted the audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

I would recommend that you contact the Marquette County EMS regarding check #1135, in the amount of \$500, to inquire if they need a replacement or will be cashing it soon.

It is my opinion that as of June 30, 2023 all financial statements are accurate and reasonable.

Sincerely,
