

Subdivision
Spring 2024 Open Burn Dates

Burn bans must be followed first.

Check <https://apps.dnr.wi.gov/wisburn/#/FireDanger> for current status.

The Town has set the following dates as designated open burning weekends for yard clean-up (note – weekends extend from Thursday through Sunday to accommodate people who work on weekends):

March 14 – 17

March 28 – 31

April 11 – 14

April 25 – 28

Please remember that only **dry** yard waste (grass, leaves, and plant material) as well as clean wood can be burned. Burning is only allowable during daylight hours, and you **must** attend your fire. Town of Bristol follows the WI DNR burning regulations and City of Sun Prairie Fire Department. If these two units of government have declared a “No Burn Ban” then the above dates must follow.

To participate in the open burning dates, you must first contact the Sun Prairie Fire Dept. **before** burning. *Please call 608-837-5066* and follow the prompts to leave your burning information.
