February 26, 2025

To: All Businesses Traveling Town of Bristol Roads
From: Brian Willison, Town Chairman
RE: Posted Seasonal Weight Limits

This is to serve as notice that spring seasonal weight limits for the Town of Bristol roads will start Monday, March 3, 2025.

During the spring thaw season, no vehicles in excess of 10-tons will be allowed on Town Roads without permission of the Town along with a **half load** requirement. The duration of this restriction will be dependent upon the weather and the ground condition. Watch our website for updated notifications. *State Patrol does enforce the weight limit regulations.*

You can acquire a permit by printing the application from our website www.tn.bristol.wi.gov and submitting the completed permit with a **\$30 permit fee** to the Town of Bristol office. If you choose to mail the application in, please submit a stamped envelope for return of your permit. You will need a permit for **each job site**.

Questions related to travel on town roads can be directed to:

Dustin Ward, Public Works Lead at 608-453-4176

Please also remember that permits are required at all times for vehicles in excess of 10 tons traveling on Town of Bristol roads. Information on the road weight permit is enclosed along with an application form. For assistance contact the Town Hall at 608-837-6494.

If you feel you no longer need a notification of the Town of Bristol's weight limit regulations and would like to be removed from our mailing list please contact our office at 608-837-6494 or email us at clerktreasurer2@tn.bristol.wi.gov.

Thank you for your cooperation.

Policy Statement: Permits for Exceeding Posted Road Weight Limits

Per Town of Bristol Ordinance 2015-2, permits are required for vehicles traveling on Town roads in excess of the posted 10 ton limit.

Annual permits are required:

1. For all vehicles not covered under WI Act 377 (IOH) that will use town roads and exceed the posted 10 ton limit, and
2. That travel town roads either once or twice daily or intermittently (such as delivery trucks that have customers in Bristol i.e., UPS or Milk Trucks).

Permits are required **for each job!**:

1. For companies whose vehicles are not covered under WI Act 377 (IOH) and exceed the posted 10 ton limit, and
2. That will make multiple or repeated trips on town roads over a specified period of time (such as gravel or cement trucks making repeated trips to a job site or manure haulers making multiple trips for a specific farm operation).

Fees:

1. Permits for Excessive Weight issued by the Town of Bristol as described above, are subject to a \$30 administrative fee.

Damages to Roads:

Permits are issued on the condition that the permit holder assumes complete responsibility for all damage resulting from the trips made by their vehicle(s).

For questions or more information contact Public Works Lead, Dustin Ward at 608-453-4176.
