

# Park Exploration

Visit all 10 Bristol parks between June 1 and June 8. Stamp each park name with the unique stamp only found at that park. Collect all 10 and return form to Town Hall by June 12 to receive a prize.\*

## Open to all Town of Bristol Residents

Stamps will be in the Little Library, if there is one. Otherwise, the stamp will be by the park sign. Please replace it after using, so the next person will be able to find it.

The Wagner Museum will be open on Saturday, June 1, from noon until 2:00. The museum is located at the entrance to Bristol Gardens Park. Come visit the museum and learn about the historic farm.
