

TOWN OF BRISTOL RECYCLING GUIDE

Please Note:

For the safety of all.

Children are not allowed to play around the dumpsters. Dogs are not allowed to run loose at the recycling center.

Please Be Kind!

The Recycle Center is a convenience to you. The Recycling Attendant is required to monitor and make judgment calls as directed by the Town Board. The Town charges appropriately to cover the costs of disposal. We reserve the right to revoke permits for not complying with the Recycling Center Guidelines and/or exhibiting bad conduct.

Permit Style & Guidelines

The Recycling Permit hanger is designed to be hung on rear view mirrors. Hangers MUST be visibly displayed before entering the Recycle Center. Permits will be issued to the registered owner of the vehicle, and the permit must match the owners name and vehicle plate number.

ALL permits Must be purchased at the Town Hall and price is \$215/yr.

Check Website for Town Hall Saturday hours in January. We now accept check, cash and credit card at the town hall.

Thank You!

The two dumpsters at the west end of the Recycling Center are for customers convenience, but the use of these dumpsters is not included in the recycling yearly pass. These dumpsters are an added expense for the recycling center. There is a minimum use fee of \$5 for smaller items and the price increases to reflect the size and weight of the item.

TOWN RECYCLING CENTER

The Town Recycling Center is located on Hwy N, adjacent to the north side of the Town Hall. An attendant is on duty.

Hours: **November 1 – March 31**, Saturdays 7:30 am to 1:00 pm
