

 TOWN OF JACKSONPORT NOTICE
High-Speed Fiber Internet Update
Brought to You by Frontier Communications

 Project Status:

Frontier Communications reports that they are on schedule: currently installing **high-speed fiber internet** in the Town of Jacksonport and that they are **on schedule for project completion by the end of the year**.

 Want Fiber Internet at Your Location?

✓ **Let Frontier Know You're Interested!**

Go to: <http://www.frontier.com/myfiber>

 Select **1** for Residential or **2** for Business

 Enter your address and **indicate that you'd like fiber at your location**

 Fiber Already Available at Your Address?

 **Call:** 888-772-3501

 Or visit: www.frontier.com/shop

Click on **“Plans”** and then **“Shop Plans”** to order

 The phone call should provide you with an **approximate service activation date**

! Having Issues or Questions?
