

**Community City of Twin Valley
Garden Plots
Rules and Regulations
Application
2025**

*Participants may garden at their own convenience during the hours of 5:00am to 10:00pm, seven days a week. No gardening will be conducted outside this time frame.

*Pets are allowed in the community garden area; they cannot run loose and gardeners are encouraged to clean up after them as needed.

*Crops, plants, vines and vegetation must be contained within the boundaries of one's plot(s).

*Children in the community garden are encouraged; however, children must be supervised at all times.

*Weeds and cuttings from your garden plot must be taken to designated containers supplied by the city. All weeds and cuttings from your garden plot must be removed with each visit or before becoming a nuisance. Absolutely no dumping of debris into other garden plots is allowed.

*Regular plots will be tilled by the city at the beginning of the season and at the end of the growing season.

*Water will be provided for the community gardeners by the city. A hose and nozzle will be provided. Please use the water appropriately, if water use is abused the city reserves the right to discontinue the water supply.

*If I must abandon my plot for any reason, I will notify garden leadership: Tammy Carlsrud 218-849-4640 or 584-8186 or Kerry Askelson 218-766-3052.

*If my plot becomes unkempt, I understand I will be given one week's notice to clean it up. At that time, if it is still unkempt, it will be re-assigned or tilled in.

*I will keep trash and litter out of the plot as well as from adjacent pathways and fences.

*I will plant tall crops where they will not shade neighboring plots.

*I will not use fertilizers, insecticides, or weed repellents that will in any way affect other plots. The garden is not specified as “organic” but we encourage gardeners to consider alternatives to chemical pesticides, herbicides, fertilizers and weed-killers.

*No fertilizers will be used that will in any way detrimentally affect adjacent garden plots or grass areas.

*No smoking within the boundaries of the community garden.

*The community garden project of 2013 was the City of Twin Valley’s first attempt at the community garden concept. I understand the city has the right to move the location of the garden plots if necessary. I also understand that the city has the right to discontinue the community garden project if the project lacks community member interest.

*For the 2025 growing season I agree to have all crops harvested by October 15, 2025. All non-compost materials must be removed by October 15, 2025 or will be destroyed. I agree to participate in the fall clean-up of gardens.
