3-86-Resolution

Mr. Robert K. Middleton, III
Director of Planning and
Economic Development
Arkansas Industrial Development Commission
One State Capitol Mall, Room 4B-201
Little Rock, Arkansas 72201

Dear Mr. Middleton:

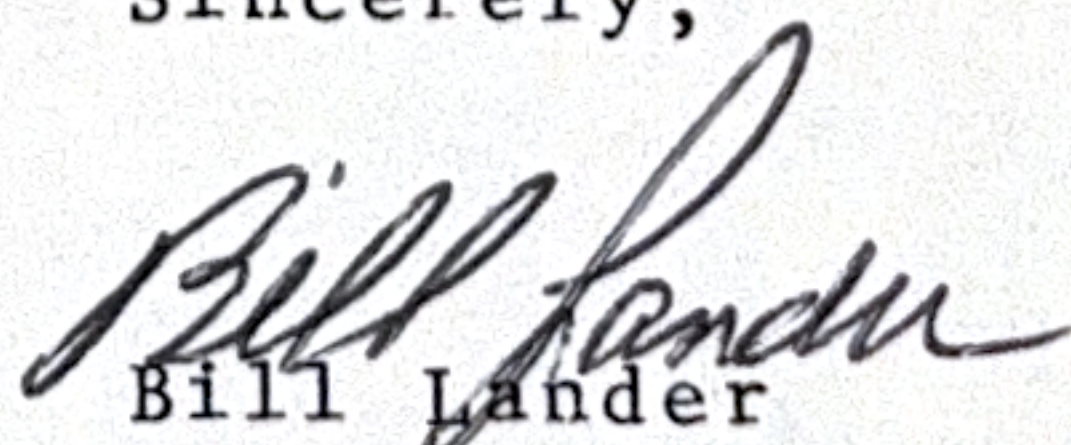

The Town of Gilbert, Arkansas would like to designate the Northwest Arkansas Economic Development District as the Administrator of the new Fire Station Project which has been earmarked for funding by your organization.

We are familiar with the work the Northwest Arkansas Economic Development District has performed in the administration of UDAG, ACEDP, and CDBG Projects in Harrison and Green Forest, Arkansas in recent years and we feel confident that they will be able to provide timely and efficient administration services for our County. We have also met with Mr. Jack E. Chaffin of the NWAEDD Office and he has expressed interest in providing these services.

The Town Council has already approved the designation of the NWAEDD as the project administrator.

We will appreciate your attention to this matter.

Sincerely,

Bill Lander
Mayor of Gilbert

Little Rock, Arkansas 72201

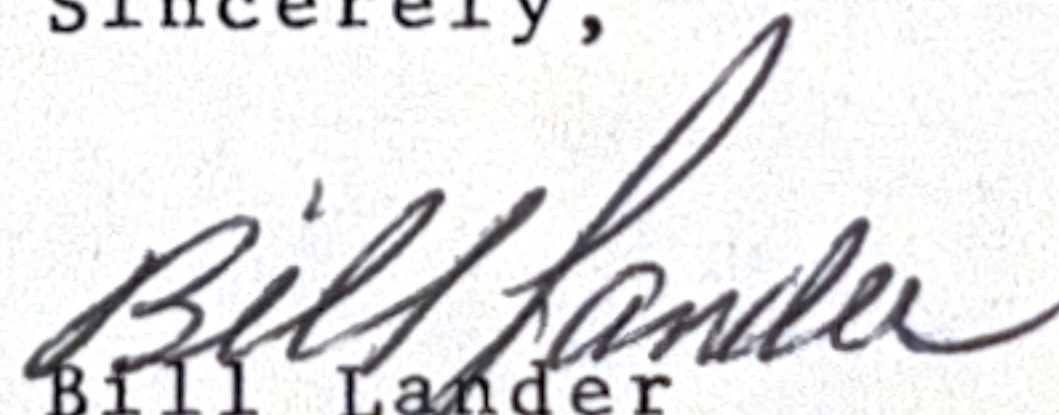

Dear Mr. Middleton:

The Town of Gilbert, Arkansas is anticipating approval of a 1986 ACED Program Grant. Because of the time delays associated with the environmental process, we are requesting permission to begin incurring costs for conduct of the environmental assessment and the procurement engineering services.

We understand that if the grant is not approved, AIDC will not be responsible for reimbursement of any costs.

We would appreciate your concurrence with this request.

Sincerely,

Bill Lander
Mayor of Gilbert
