JACOB HARMAN, MAYOR

February 29, 2024

Dear Fellow Residents:

The next upcoming meeting of the Board of Trustees will be held on Monday, March 4, 2024, at 8:00 p.m. at Village Hall. We welcome your attendance and participation.

Please note that the annual Village tax bill has been mailed out. Please feel free to call the Village office to confirm that the mailing information on record is current and correct. We appreciate your prompt attention to avoid any delays in remittance. In addition, please remind your gardener that permits must be renewed at Village Hall for the 2024 season. Only those gardeners holding valid permits will be permitted to work in the Village.

Road Program update.....The final phase of paving for the National Grid project will be commencing in the Spring, and the Village road program will be completed during that period. It is anticipated that the program will be performed over a 4-to-6-week period at which point all Village roads will have been modified. To avoid any inconvenience, notices will be sent out alerting residents which roads will be closed while the work is performed. Thank you for your patience during this program.

We are also aware that certain roads which are the responsibility of 'Nassau County' have experienced flooding at times and have had an impact on our Village. We recognize the importance of this matter and have been working closely with County representatives to get this resolved.

As always, please feel free to let us know if you have any questions or concerns. We look forward to seeing you on Monday evening.

Very truly yours,

Jake Harman
Mayor
