October 17, 2025

Dear Neighbors:

We are pleased to advise that this month's meeting will be held on **Monday, October 20, 2025, at 7:15 p.m.** at Village Hall. We welcome your participation and involvement.

In addition to our regularly scheduled items, we will be updating on security matters and finalizing the Villages previously discussed code enforcement contract.

We continue to receive a number of complaints about vehicles not adhering to traffic signs, particularly not stopping at stop signs or going wrong way down one-way streets. Together with Commissioner Lauer, we have brought this matter to the attention of the 4th Precinct to consider enhanced monitoring. For the safety of all our residents, we respectfully ask that all residents obey all traffic regulations.

We are evaluating the Village Street lighting situation. If anyone should notice a streetlight on during the day or not working in the evening, please call Village Hall during regular business hours to report.

At this time of year, we need your assistance in reminding gardeners to keep the roads free of fallen leaves and fall debris. We ask that all leaves accumulated along your property be gathered and removed rather than piled up or blown onto the Village streets. We sincerely appreciate your cooperation in this matter as it will assist us in properly sweeping the streets and making sure the village is ready for the upcoming winter months.

We hope you enjoyed the holidays and look forward to seeing you on the 20th.
As always, please feel free to let us know if you have any questions or concerns.

Very truly yours,

Jake Harman
Mayor
