# 2022 Levan Town Grand Marshall

## Jessie Ann Wood

Jessie Ann was born on August 13, 1936, in Scipio Utah to Wesley and Zella Martin. She was the seventh of eight children, two brothers and five sisters. She was named after her grandpa Jessie Martin.

Jessie attended kindergarten through eighth grade in Scipio and then ninth – 12th grade in Fillmore. As a kid her nightly chore was to gather coal and chips for the stove. She took a heated brick wrapped in a blanket to bed to stay warm. She bathed in a #3 wash tub and the bathroom was located outside.

After graduation in 1954 she moved to Salt Lake to live with her sister Opal. While living in Salt Lake she worked at The First Security Bank and tried out for Miss Utah. She made it to the top ten by modeling an evening gown and answering a question. She lucked out. she did not have to model a swimsuit or have a talent.

Later that year she met Rulon Wood while dragging main. They were married in the Salt Lake Temple on August 19, 1955. They made their home in Levan where they raised their three children Clark, Barbara, and Gary. Jessie has ten grandchildren and fourteen great grandchildren.

Jessie enjoys visiting with people and doing yard work. Even at 86 years old you will find her working in the yard. She is an excellent cook making the best sugar cookies, candy popcorn and other delicious treats. She likes Milky ways, Diet Pepsi, pretty flowers, and anything chocolate. She looks forward to playing cards every Friday with Bonnie, Vona and Sandra.

Jessie is highly active in the community and church, always willing to help and serve others. One of her most treasured talents is visiting with people. She has lived in Levan for 67 years and is very honored to be chosen as Grand Marshall of the Levan 24th of July 2022 Celebration.
