

Town of Levan - TextMyGov Announcement

The Town of Levan is thrilled to introduce TextMyGov, a convenient and smart text messaging service! This service will enable residents to effortlessly receive important notifications and easily find specific information by texting the city.

Levan will officially launch the new text messaging system to the public on August 20, 2024. Residents will have full control over their participation, as they can choose to opt-out at any time by simply texting **STOP**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword "**LEVAN**" to the number **91896**. After sending the initial keyword, you will be asked to reply "**YES**" to confirm opt-in. Residents may receive notifications for **events, alerts, services, meetings**, etc. For specific text alerts, text one of the following keywords to the number **91896**:

- Alert notifications: text **LEVAN** to **91896**
- Event updates: text **LEVANEVENTS** to **91896**

Also, starting soon, residents will be able to receive on-demand information 24/7 by texting 1-2 keywords to the Levan's TextMyGov number. You'll be able to get quick information about Bill Pay, Building Permits, Utilities, Public Safety, Elections, Celebrations, and other Levan Town information.

Levan's use of this technology is another example of how our community enhances resident services by implementing 21st-century solutions. We're excited about this new way of communicating with residents and look forward to sharing important city notifications. Other governmental entities across the country are utilizing this system with great success. Stay informed, stay ahead.
