

TOWN OF RANTOUL NEWSLETTER

DECEMBER 2022

WINTER PLOWING

Plowing snow across town roads is prohibited. It creates a dangerous situation for traffic and safety hazards for all those who travel that road. *As property owner, you are responsible for the plowing being done on your property-even if you are paying someone else to remove the snow for you.* Wisconsin Statute 346.94(5) states that no person may place or cause to be placed upon a highway any substance that is or may be injurious to any vehicle. A pile of snow certainly fits this description. Wisconsin Statute 346.95(3) allows a penalty of \$50 for each offense.

Cleanup of Roads

Fees for manure and/or harvesting cleanup on roads by Town equipment and personnel have been set at \$300.00 fee per call plus \$100.00 per hour from the time the equipment leaves the Town Shop until the time the equipment returns to the Town Shop, including truck cleanup.
