

Resolution 2008-05 of Town Board of the Town of Rantoul

Whereas, the State of Wisconsin has adopted levy limits on town, village, city and county levies for 2007 and 2008 local levies under Sec. 66.0602 of Wis. Statutes;

Whereas, Sec. 66.0602 of Wis. Statutes limits the local levy for 2008 to a percentage increase to no more than the greater of (a) 2% of the maximum allowable limit for the immediate preceding year or (b) a percentage equal to the percentage change in equalized value due to new construction less improvements removed; which for the Town of Rantoul is 3.726 percentage;

Whereas, the Town Board of the Town of Rantoul, Calumet County believes for the 2008 tax levy (collected in 2009) it is in the town's interest to exceed the state levy limit as described above by a greater percentage than 3.726;

Whereas, the Town of Rantoul levy was \$187,003.00 for the tax levy in 2007 (collected in 2008); and further whereas the state limit would limit the increase to \$6,315.00 for a total allowable town tax levy of \$193,318.00 for 2008, collected in 2009;

Now Therefore the Town Board of the Town of Rantoul, Calumet County, does hereby resolve and orders as follows:

1. The town board hereby supports an increase in the town tax levy for 2008 (to be collected in 2009) to exceed the state levy limit.
2. The town board directs that the question of increasing the town tax levy for 2008 (to be collected in 2009) by 12.7351 percentage, which would increase the town levy by \$23,815.00 over the past year's levy, for a total town tax levy of \$210,818.00 shall be placed on the agenda for the special town meeting to be held on November 12, 2008.

Adopted this 8th day of October, 2008.
