That applicant represents all parties in interest, and that any driveway or approach constructed by him is for the bona fide purpose of securing access to his property and not for the purpose of parking or servicing vehicles, or for advertising, storage, or merchandising of goods on the road right-of-way.

That the permittee shall furnish all materials, do all work, and pay all costs in connection with the construction and maintenance of the driveway and its appurtenances on the right-of-way. Materials used and type and character of work shall be suitable and appropriate for its intended purpose and the type of construction shall be as designated and subject to approval of the Town Board. The permittee shall make the installation without jeopardy to or interference with traffic using the road. Road surfaces, shoulders, ditches and vegetation disturbed shall be restored to equivalent or original condition by the permittee.

That no revisions or additions shall be made to the driveway or its appurtenances on the right-of-way without the written permission of the Town Board.

The Board reserves the right to make such changes, additions, repairs and relocations within statutory limits to the driveway or its appurtenances on the right-of-way as may at any time be considered necessary to permit the relocation, reconstruction, widening, and maintaining of the road or to provide proper protection to life and property on or adjacent to the road.

That the permittee, his successors or assigns, agrees to hold harmless the Town of Daniels, its duly appointed agents and employees against any action for personal injury or property damage sustained by reason of the exercise of the permit.

The Board does not assume any responsibility for the removal or clearance of snow, ice or sleet, or the opening of windrows of such material, upon any portion of any driveway or entrance along any town road even though snow, ice, or sleet is deposited or windrowed on said driveway or entrance by its authorized representatives engaged in normal winter maintenance operations.
