### NEWS RELEASE / PUBLIC SERVICE ANNOUNCEMENT

#### **PORTION OF EAGLE RIVER CORRIDOR TRAIL 13/10 TEMPORARILY CLOSED**

A portion of corridor trail 13/10 in Eagle River is temporally closed where it crosses the Wisconsin River between Trail Intersection Number (TIN) 103 and 105. It appears that water is backing up into the marsh area surrounding the Wisconsin River Bridge causing slush and water on the trail making it unsafe for travel. The gates have been closed, and users should plan an alternate route for travel. Once it is determined that the issue has been resolved and the trail is safe, the portion of trail will be reopened, and a press release will be issued notifying the public. For more information, please follow the Sno-Eagles social media or contact the Vilas County Parks and Recreation Supervisor at (715)479-5160.

Please ride safe, stay on the trails, don't ride impaired, and remember that the speed limit at night is 55 MPH. We want all to enjoy our trails and return home safe!

Todd Bierman  
Vilas County Parks and Recreation Supervisor
