

Town of Phelps, Wisconsin

Town Office Open with limitations

The Town of Phelps, Town Office, will be open starting July 13, 2026; however, we are still under construction and have limited resources.

The phone system is not operable, we do not have ADA accessibility yet, we have limited parking areas and there are still obstacles in the hallways making it difficult to access our office easily.

We would encourage no in-person office visits at this time except for emergency situations.

Emails and phone messages will continue to be monitored. Urgent issues will be addressed as needed.

Contact information for the Town Board, Highway Department, Cemetery Sexton, and other departments is available on the Town website at phelpswi.gov.

Thank you for your patience *and understanding*.

Town Staff
