

Help us get internet to
YOUR
home or business

Outagamie County is working hard to deploy high-speed internet throughout the region. We need all residents, property, and business owners to participate in this questionnaire to understand the availability and quality of internet in Outagamie County.

Every response will better inform broadband planning across the State.

If you have internet from your home or business:

Please take the broadband survey and speed test online from your home internet connection at:

tinyurl.com/WISER2023

Please complete the survey by July 14, 2023.

If you do not have internet OR if you only have cellular access:

Please call to take the questionnaire via phone:

608-261-6026

Visit www.Outagamie.org/Broadband for more information.
