Black Creek Community Center  
507 S. Maple Street  
6:30pm

### Website

[www.Villageofblackcreek.com](http://www.Villageofblackcreek.com)

Here's the Scoop:

With cooler weather and winter's arrival just around the corner, it's helpful to review Village ordinances and policies. Here's a quick review:

SUMP PUMPS cannot be discharged into the street after Nov. 15<sup>th</sup> per Village ordinance, which aims to keep the streets free of ice. If your sump pump discharge line to the storm sewer freezes, you must re-route the line discharge onto your back lot. Discharging into the sanitary sewer is illegal and may cause flooding for you or your neighbors.

STREET PARKING is not allowed between 2 am to 6 am year-round per Ordinance 340-19(A).

## **\*Remember to License Your Dog\***

### **Per Ordinance Chapter 108**

Please remember to license your dog older than 5 months old. Make an appointment with the Clerk's office with the current rabies vaccination information and \$5 for an altered dog or \$10 for an unaltered dog.

Also, please remember to pick up after your pet when out and about in our community.

## **Snow Removal Reminders**

Please keep your sidewalks clear of snow and ice to provide safe passage for everyone!

The Village Board would like to remind residents and business owners that snow and ice **MUST** be removed from all sidewalks. According to Village Ordinance 308-11(A-G), property owners have 24 hours from the time snow ceases to accumulate to remove snow and ice from sidewalks that adjoin their property.

Snow cleared from sidewalks, driveways and parking lots cannot be shoveled, blown or plowed into the highway, street or any public right-of-way, where it poses a safety hazard to road crews, pedestrians and motorists.

If you do not remove snow in a timely manner, the Village will do it for you and will bill you \$75 per hour, 1 hour minimum. Any portion beyond a full hour will be charged the full hourly rate. Each 24-hour period will be considered a separate offense and billed according to the ordinance.

Please lend a hand and clear snow from fire hydrants so firefighters have clear access to the hydrants in an emergency.

**\*New for 2026\***

## NOTICE OF RATE INCREASE

Water Customers of Black Creek Municipal Water & Sewer Utility

Customer Classification	Meter Size	Meter Charge	Public Fire Protection (PFP) Charge
