§ 337-20 *Parking generally.*

- A. No parking any time. There shall be no parking at any time upon the following streets or portions of streets:
 - (1) The east side of Milwaukee Street from Park Street north to the Village limits.
 - (2) The north or south side of Mayville Street.
 - (3) McArthur Road over the pedestrian lane.
- B. Parked vehicles. A vehicle shall be deemed parked, within the meaning of this chapter, when it is stopped on any street of the Village for any other purpose than that of taking on or discharging passengers or cargo and then only for such time as is reasonably required for such purposes. A vehicle which is stopped on any street for any other purpose shall be considered parked regardless of whether or not the seats are occupied by one or more persons.
- C. All-night parking prohibited; alternate parking.
 - (1) No person, except EMS, police and physicians on emergency calls, shall park any vehicle for a period of time longer than 30 minutes between the hours of 2:00 a.m. and 6:00 a.m. of any day between November 15 and April 1 on Milwaukee Street from the north Village limits to the south Village limits. **[Amended 8-1-2005 by Ord. No. 1-10]**
 - (2) On all other streets, there shall be alternate parking as follows: on days having even calendar numbers parking will be on the side of the street with even house numbers, and on odd-numbered days parking shall be on the side of the street with odd house numbers. A permit will be required for anyone parking on the street overnight. The cost of a season permit is prescribed in Chapter 167, Fees. Anyone with permit will have to follow alternate parking rules.
 - (3) Winter parking permits. **[Added 8-3-2020]**
 - (a) A winter parking permit is required for any overnight street parking of vehicles. The cost of a season permit is prescribed in Chapter 167, Fees. Permit holders are responsible for abiding by alternate parking rules.
 - (b) Winter parking permits are valid only for the specific vehicle that it is issued for. The person requesting a permit must own the vehicle and reside at the same residential dwelling unit as listed on the vehicle's registration. Permitted vehicles shall be parked in the area of that specific location. Permits shall be limited to only two per each residential dwelling unit. Registered owner(s) not residing at the address as listed for the vehicle shall not be eligible for a winter parking permit. Trailers are not eligible for winter parking permits per restrictions of § 337-20D(2).
- D. Other parking limits.
 - (1) Parking shall be limited to a maximum total of three hours on Milwaukee Street between Henni Street to the south and the Rock River bridge to the north.
 - (2) No unattached trailer, camper, boat or similar type of hauled device, or other recreational vehicle, shall be left parked at any time on Milwaukee Street between Henni Street to the south and the Rock River bridge to the north.
 - (3) No unattached trailer, camper, boat or similar type of hauled device, or other recreational vehicle, shall be left parked for more than six hours on any other street or highway in the Village of Theresa.
 - (4) Exceptions to the above provisions would be a twenty-four-hour special permit issued by the Police Department for such things as construction to a building, etc.
