RE: Community Income Survey for Grant Application
STH 175 Reconstruction Project (Menomonee Street to Depot Road)

Dear Resident:

The Village of Theresa plans to apply for a grant to help fund the full reconstruction of STH 175 from Menomonee Street to Depot Road. A grant can help reduce the burden of costs at the local level for the project. To determine whether we are eligible to apply for the grant, we need to conduct a survey of Village residents to obtain general family income information.

Each family living in the area where we will be making the improvements is asked to complete a survey. Your participation is voluntary and **very important**. We are required to get responses from a high percentage of families for the survey results to be valid and qualify us for grant eligibility.

You will soon receive an income survey form in the mail. Please complete the survey and mail it back to the Village by **November 25, 2025**, following the instructions that will be provided with the survey form. If you have more than one family in your household, you may contact Becky Tellier, Village Clerk-Treasurer, 292 Mayville Street, Theresa, WI 53091, 920-488-5421, ct@villageoftheresawi.gov to request additional copies of the survey.

The responses to individual surveys will be kept **confidential**. Please do not cross off the number listed on your income survey or return envelope, as this may invalidate your income survey response, as we must be able to accurately track the responses.

If you have any questions, please contact Becky Tellier, Village Clerk-Treasurer, at 292 Mayville Street, Theresa, WI 53091, 920-488-5421, ct@villageoftheresawi.gov.

Thank you for your assistance with this important survey.

Sincerely,

Village President
