Buckeye Rd
Sec 14-15

No. 1. By John M. Johnson:

Be it resolved, that a special tax of One Thousand (\$1000.00) dollars in addition to all other highway taxes is hereby by the Town of Blooming Grove, County of Dane, State of Wisconsin for the improvement in 1918, by grading and surfacing, of the Buckeye Road, located in Section 15 and 18, township 7, range 10.

Construction shall commence at end of present permanent road improvement and extend thence in an easterly direction as far as the funds available will construct. This appropriation is made and the construction is to be performed under the provisions of sections 1317 m-1 to 1317 m-15, inclusive of the statutes, and the town board of supervisors is directed to include this amount in the taxes levied in 1917 upon all the taxable property in the town.

Adopted

✓ No. 2. By H. A. Wessinger:

Resolved that the delinquent road money that is now in the Town Treasurer's office shall now be placed in a General road fund for permanent road improvements, and wherever it is mostly needed.

Adopted.

No. 3. By H. A. W. Essinger:—

Resolved that the town board now in office or the town board elected, on this 3rd day of April 1917, shall place the general road fund, that is now in the general road fund in the Town of Blooming Grove, on road districts No. 4 and No. 1, or where it is mostly needed.
Refused, Rejected.

No. 4. By H. Wildhagen:—

✓ To the Clerk of the Town of Blooming Grove Wisconsin.

Dear Sir:—

Some discussion has arisen recently regarding the loss of a horse by a Mr. Burke on the Town Hall property. There has been some discussion as to the liability of the Town and the School District as members of the school board, we submit to the town meeting that if the town is willing to adjust the loss of Mr. Burke, but is not willing to adjust the matter alone, that we, as members of the school board, will pledge our efforts at the next school meeting in July, to secure the levy of a tax to raise a sum for the payment of the claim, providing such a claim may be paid by a school district.

We are not in a position to pledge the payment of any sum for the school board for we are advised that the Board may not pay such sum for the adjustment of a claim without authorization from the district. We are not in a position to pledge that the School District will raise such sum for we do not know of the opposition which may present itself at that time. We can, however, pledge our efforts to secure a levy and that we do.

We make this proposal, however, to be effective as an offer only on the condition that the Town of Blooming Grove provide at least an equal sum for the payment of such claim.

Respectfully Yours,

School District No. 5, Town of Blooming Grove.

Henry Wildhagen Clerk

Mrs. Mary Pflaum Director

L. H. Brendler Treas.

Amended by Robert Swanton:-

Moved and seconded that the Town shall pay County \$40.00 dollars towards payment for the horse.

Adopted.

By Fred Watterscheit:-

Resolved that the salary of the Town Treasurer be increased from \$175.00 to \$200.00

Adopted.

The board met at the Town Hall for the purpose of investigating the claims of Miles K. Swanton, Peter Breiby, Geo L. Morris and H. H. Gay for damages done by unknown dogs to their poultry.

Poultry was killed Friday, August 6th 1920.

Claims were presented to the town clerk, Monday August 16th 1920.

Claimants called out Sheriff Krug and Under-sheriff McCormick on the morning of Aug 7th and they viewed the poultry and later Sheriff Krug and McCormick together with the claimants or some of them called on the farmers of the vicinity to try to identify the dog.

Claimants claimed that they did not know that they should have notified the town clerk immediately, that when they called on the

county sheriff they thought they were notifying the proper authorities, further that Sheriff H. H. H. did not instruct them to notify the town authorities, therefore the town board did not view the poultry in question for the purpose of appraisal.

Miss Swanton, one of the claimants, went to an attorney, one John H. Baker who informed him as to the proper procedure after which he notified the town clerk.
