Road Projects
Information for Contractors

All work tickets must show the name of the road and the date on which the work was completed.

All work tickets must itemize completed work (i.e.: cubic yards of material delivered, excavator hours for ditching or culvert replacement, trucking hours for ditch spoil removal, dozer hours, etc.) and include the price for that work.

All work tickets must be approved and signed by the Town of Lakewood's Road Forman.

The Road Forman must receive a copy of each work ticket he signs.

Each road project must be invoiced individually by **road** and include a copy of all work tickets for that project. List work and ticket number for each charge listed on the invoice.

Invoices & corresponding work tickets must reach the town office within 30 days of project completion.

All approved invoices received at the Lakewood Town hall by the 25th of each month will be submitted for payment on the first Wednesday of the following month at the Town Board of Supervisor's regular monthly meeting.

The Town Board of Supervisors reserves the right to deny any and all quotes submitted.

Contractor agrees to defend, indemnify and hold the township harmless for all claims relating to the contractor's performance of the contract.
