

# Let's go!

The ADRC of the Lakeshore, partnered with Maritime Metro Transit, strives to meet your transportation needs!

We offer local rides to our Senior Dine-In Sites! Outside of the city limits, it's just \$1.50 round trip to head to lunch and enjoy conversation and camaraderie!

We also offer out of county medical transportation for those needing to get to various doctor appointments.

Rural residents can enjoy door-to-door service with one of our volunteer drivers at a minimal cost. If you're needing a trip to the grocery store, doctor's office or even your hair salon, there are options available!

If you don't need a ride but have time to volunteer as a driver, please consider donating your time to this incredible community service!

Please call our Mobility Manager at (920) 686-6977 for more information or to schedule your ride today!
