INVITES YOU TO ENJOY

Freitag Memorial Park

Welcome to Forest Junction

"You can get there from here!"

As our unique tagline states, our small and quaint community of Forest Junction is centrally located with easy highway access to the Fox Valley, Green Bay or the Lakeshore.

Forest Junction Civic League & Freitag Memorial Park

Forest Junction Civic League (FJCL) was established as a community organization that strives to do positive things for Forest Junction. Activities include managing and maintaining Freitag Memorial Park & Disc Golf Course; sponsoring an annual community picnic & car show; sponsoring and maintaining the "Welcome to Forest Junction" highway signs and organizing impromptu social gatherings.

The Civic League is served by officers and volunteer members. Annual membership dues are simply \$1. Meetings are held a few times per year as needed, scheduled through email communication.

"FIVE, SIX pick up sticks"

While enjoying the park facilities, encourage your young ones to be a big help to our lawn crew by picking up fallen branches and piling them near the base of any tree, or picking up any garbage laying around and disposing of it properly. We will take it from there...Thank you!
