## Trash and Recycling Guidelines

Residents utilizing Town garbage services are required to use the carts provided to you by the Town for trash collection and recycling. These will be the ONLY containers that are picked up. If you have trash that does not fit into your cart, see "Additional Trash" below. Carts are warranted by the manufacturer. If you lose a wheel, the lid comes off, or other "normal" repair, the cart will be repaired or exchanged. There is no cost to the resident for these types of repairs. If you are negligent and the carts are damaged you will be responsible for the replacement costs. Carts are the property of the Town of Onalaska. If you move, carts are to be left at the residence for the subsequent owner.

**DO NOT mark or spray paint your carts!** A luggage tag or zip tie may be placed on the cart to mark your address is desired.

Trash pick-up is weekly according to color-coded areas on the map at the right and on the calendar. Trash is taken to the Xcel Energy Derived Fuel Plant on French Island and converted to electricity.

Recycling collection takes place every other week on the same day of the week as your refuse collection. Please locate your home on the map to the right. If you are in the shaded area on the map, your recycling pick-up will be the shaded week on the calendar. Please note trash and recyclables are picked up by separate trucks and may be several hours between pick-ups.

Place carts at least 3 feet away from obstacles including but not limited to: other carts, mailboxes, power poles, etc. Place carts within 2 feet of surfaced edge of the road, but not on the road (even in winter) with the wheels facing away from the road. **Carts MUST be set out by 5 am on collection day or the night before.**

**Do not put grass, leaves, brush, recyclables, electronics, computer components, hazardous, demolition, construction or commercial materials in the carts. See chart on page 3 for more information.**

**For complete listing of items visit [www.hilltopperrefuse.com](http://www.hilltopperrefuse.com) or call 608-783-6727.**

**LIDS MUST CLOSE ON BOTH TRASH AND RECYCLE CARTS.  
IF LIDS DON'T CLOSE TRASH WILL NOT BE PICKED UP.  
SEE BELOW FOR ADDITIONAL TRASH**

## Additional Trash

If you have additional trash you may save it for the next weekly pickup or make other arrangements for disposal. Options for additional trash include:

1. Purchase tags from Hilltopper (608-783-6727) to place on extra bag weighing no more than 50 lbs. Cost for the tags is \$15 for 5 tags. Each additional bag must have its own tag. This option is best for the occasional overage following an event.
2. If you consistently have garbage overages you may rent an additional cart from Hilltopper (608-783-6727). There is an annual fee for the additional cart. You will contract directly with Hilltopper for the additional cart.
3. Hauling it yourself to the La Crosse County Landfill, Hilltopper, or other contractor of your choice. Fees will apply.
