Property Owner  
Apple Valley Subdivision  
Onalaska, WI 54650

Re: Apple Valley Subdivision – Apple Valley Road Reconstruction Project  
GEC Project #2-0124-44G

Dear Property Owner,

The purpose of this letter is to provide information regarding the proposed Apple Valley Road improvement project within the Apple Valley Subdivision in the Town of Onalaska, La Crosse County, Wisconsin.

As you may be aware, in late 2025 the Town of Onalaska submitted several applications for transportation funding to support roadway improvements within the Apple Valley Subdivision. Through this funding cycle, the Wisconsin Department of Transportation awarded funding for the reconstruction of Apple Valley Road.

The Town is currently developing plans for the project and anticipates construction in 2027. The proposed improvements include pulverizing the existing pavement, minor roadway reshaping, shoulder improvements (including gravel shoulders and paved curb sections where appropriate), and the removal and replacement of driveway approaches affected by construction.

The purpose of this letter is to invite you to a public information meeting where an update on the project will be provided. The meeting will include a brief presentation outlining the proposed design, anticipated construction activities, and project schedule. Residents will also have an opportunity to ask questions and provide input regarding the proposed improvements and community needs.

The meeting is scheduled for:

**Wednesday, June 17, 2026 - 7:00 PM - Town of Onalaska Town Hall**

If you have questions or are unable to attend the meeting but would like additional information regarding the project, please contact: **Lukasz Lyzwa, Project Engineer**, General Engineering Company at (608) 742-2169 or **Town of Onalaska** (608) 783-4958

We appreciate your interest and look forward to your participation in the project planning process.

Sincerely,

*Lukasz Lyzwa*

Town of Onalaska Engineer

*Please note that Town Board members may be present for purposes of information gathering. No official action will take place.*
