

# Evansville Tornado Response Community Gathering

February 15, 2024

6:00 PM - 8:00 PM

Evansville High School Auditorium

640 S 5th St., Evansville, WI 53536

Rock County Emergency Management and Rock County Sheriff's Office invite citizens impacted by the Evansville Tornado to a community gathering to receive updated information on the recovery efforts from local authorities.

Several community partners will be present to discuss resources and services that may assist residents during the recovery process. Residents will have the opportunity to raise any unmet needs and form connections with resources.

This gathering is the next step in our local recovery efforts.

Direct any questions to Rock County Emergency Management at 608-758-8403.
