

SCAMMERS ARE GETTING MORE AGGRESSIVE AND CONVINCING.

The Town is aware of scammers sending fake invoices to Town residents in neighboring communities. Should this occur-do NOT reply to emails that appear to be from the Town of Town Officials requesting or providing payment instructions. Always check that the email address you are receiving emails from end in @townoffulton.wi.gov

If you receive an email you believe to be fraudulent, please report it to the Town of Fulton Clerk/Treasurer at

fultonclerk@townoffulton.wi.gov
