2026 Rock County (WI) Cooling Sites

Updated: 04/17/2026

When forecasted temperatures and/or real temperatures exceed 90 degrees in Rock County the need to open sites will be evaluated. The opening of sites is a local decision, and the county supports by providing a consolidated list to the public. The listed locations can be used as a cooling site during their normal business hours only. Some locations may be closed during weekends and holidays including local, state, and federal holidays. These locations will not extend or alter their hours so citizens should plan accordingly. Cooling sites may close without notification and are not obligated to participate. Citizens are responsible for their own belongings. Food and water are not provided.
