

REFERENDUM QUESTION

Do you support the Town of Brussels borrowing money in an amount not to exceed \$ 370,595.00 plus interest for a 20 year loan to fund capital improvements for development of a new Broadband Internet Fiber Optic Infrastructure throughout the Town to replace the old, antiquated copper line DSL system. This project includes running a new Fiber Optic Cable to every occupied Home or Business Property in the Town. Every connection, no matter where you may be on the chain of service, will have the same symmetrical speeds opportunity offered by Brightspeed.

A vote of “yes” will express to the Town Board your support to have the Town borrow money for the Broadband Infrastructure Project.

A vote of “no” will express to the Town Board that you do not approve of the borrowing of money for the Broadband Infrastructure Project.
