CRIME PREVENTION

NEIGHBORS APP – DEO Verheyen has been working on getting this App information out to the community! The App is FREE and is a new tool for Neighborhood Watch. It can be downloaded by texting **browncountywi** to **555888**. Being a part of this forum is another way for the community and law enforcement to come together to mitigate crime and alert real-time activity. It is not used to file police reports.

Please continue to call the Brown County Non-Emergency # (920) 391-7450 to file a report or 9-1-1 in an emergency.

Please spread the word about the Neighbors App in Denmark. The more residents on the App, the more support we have as a community! Information about this App was sent out with the village quarterly water bills in June, in the Denmark News and on the Village Facebook. Any questions – contact DEO Verheyen.
