- If anyone has a police matter that isn't an emergency but you would like an officer to come out please use the non-emergency number: 920-391-7450. This is the easiest way to either get the Denmark DEOs or if they are not available you will get an available county officer. If you have an issue that does not need immediate police attention you can continue to call the village hall and the message will get to us. Obviously if there is an emergency please call 911.

Everyone stay safe and have a great month
