TOTAL PERMIT FEE (\$) _____

Heating/HVAC

Residential - The fee for residential buildings containing dwelling units or sleeping accommodations, but excluding hotels, motels, and institutional buildings, shall be calculated at a rate of 10¢ per square foot, with a minimum fee of \$75.00.

Warehouses - The fee for warehouses, storage buildings, or other similar occupancies installing infrared/heating units shall be \$130.00 per unit. All other HVAC equipment shall be \$75.00 per unit.

Multi-Family, Commercial, Industrial, Institutional - The fee for all buildings or structures not described in Residential and Warehouses above, shall be calculated at the rate of 14¢ per square foot, with a minimum fee of \$100.00

Square footage calculations - The square footage calculations for purpose of this section shall include all floor levels, basement, heated attached or detached garages, and any other heated accessory structures.

HVAC alterations, repairs and remodeling - The fee for heating, ventilating, or air conditioning permits for any alteration, repair, or remodeling of a **one or two family structure** shall be calculated at the rate of \$7.00 per each \$1,000 of cost of the work to be done, with a minimum fee of \$75.00. All other occupancies shall be calculated at the rate of \$8.00 per each \$1,000.00 of cost of the work to be done, with a minimum fee of \$100.00. For purposes of determining costs for work done, such amount shall be calculated to determine the gross construction costs including labor and materials.
