Traffic / Ordinance Enforcement

- ❖ Officers use **traffic enforcement** as one mean to modify, correct and educate operators on dangerous driving behavior. Traffic citations are issued to gain compliance with the law.
 - There were **9** traffic contacts initiated and **3** traffic crashes in the Village of Denmark.
 - Of those traffic contacts, **5** traffic citations were issued, and **8** traffic warnings were issued.
 - **0 OWI** arrests / citations.
- ❖ **Ordinance citations** are used to enforce the codes that are specific to Denmark. There were **0** ordinance citations issued. Most ordinance citations were violations of the overnight parking ordinance.

Administrative

- ❖ Denmark DEO's actively assist BCSO Investigative Division with investigations in the Village.
- ❖ **Significant Calls for Service:**
 - **Multiple suspicious person/disturbance calls** – DEO's and Brown County Deputies have been dispatched to a group home residence in the Village numerous times for a resident leaving the property

and knocking on doors of nearby homes. DEO's working with available services to abate the issue moving forward.

- **Suspicious Situation** – BCSO Deputies responded to an apartment complex in the Village for a report that someone witnessed a burglary. The caller reported that they witnessed a vehicle driving into the parking lot and observed someone from the vehicle running in and out of the apartment quickly. The witness stated that they observed the suspect throwing an unknown item into their vehicle. This call was unfounded and the suspect vehicle was not identified. No victims have reported a burglary to their apartment at this time.
- **Disturbance** – BCSO night shift deputies responded a business for an employee that needed to be removed due to being intoxicated, belligerent, and refusing to leave. The individual did eventually leave the premises and was given a ride to their residence.
- **Hit and Run** – DEO Rusk responded to a two-vehicle hit and run crash. The suspect was identified and issued a citation for Hit and Run.

Information Bulletin

❖ **Electric Bicycles and Electric Scooter Information:**

With warmer weather there is more pedestrian traffic. There have been many concerns expressed about the use of e-bikes/e-scooters in the Village. Regular e-bikes/scooters are held to the same rules/regulations that bicycles have in the Village (Denmark Ordinance 289-8(C)). 2019 Wisconsin Act 34 outlines three classes of e-bike:

- *“Electric bicycle” means a bicycle that is equipped with fully operative pedals for propulsion by human power and an electric motor of 750 watts or less and that meets the requirements of any of the following classifications:*

- 1. **Class 1** electric bicycle is an electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle reaches the speed of 20 miles per hour.
 - 2. **Class 2** electric bicycle is an electric bicycle that may be powered solely by the motor and is not capable of providing assistance when the bicycle reaches the speed of 20 miles per hour.
 - 3. **Class 3** electric bicycle is an electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle reaches the speed of 28 miles per hour.
- ❖ To operate a Class 3 electric bicycle, a speedometer is required, and the operator **MUST** be over the age of 16.
 - ❖ If an electric bicycle fits into one of these 3 categories, they are subject to the same duties as a bicycle operator and are considered a vehicle to the same extent as a bicycle. The key takeaways for legal electric bicycles are that they are less than or equal to 750 watts, have fully operable pedals, and have a top motor assisted speed of 20 MPH (class 1 and 2) and up to 28 MPH (class 3).
 - ❖ If your e-bike does not meet these criteria, it may be subjected to the same registration and licensing laws as a motor vehicle. Please ensure you know what your electric bicycle is capable of, and what exactly you are purchasing.
 - ❖ Electric Scooters are held to a similar standard. The state of Wisconsin defines electric scooters as:
 - *“a device weighing less than 100 pounds that has handlebars and an electric motor, is powered solely by the electric motor and human power, and has a maximum speed of not more than 20 miles per hour on a paved level surface when powered solely by the electric motor. “Electric scooter” does not include an electric personal assistive mobility device, motorcycle, motor bicycle, electric bicycle, or moped.”*
 - ❖ Electric Scooter users are required to follow the rules of the road. In the Village of Denmark, electric scooters are prohibited on any road with a speed limit greater than 25 MPH.
 - ❖ **Golf Carts** – Golf Carts will be allowed on Village Streets again starting April 15th. Please stop in at the Denmark Village Hall to register them before operating them on Village Streets.
 - ❖ **Park hours**
 - Reminder, Memorial Park hours for the public are from **8:00 a.m. – 10:00 p.m.** No person shall be present in the park outside of these hours

Crime Prevention

- ❖ **House Check Requests**
 - Remember, if you're leaving town for a weekend or taking a vacation or traveling –fill out a house check request form; it can be located on the village website. These forms are forwarded to DEOs for documentation, checks, and extra patrol. These checks offer extra supervision over your home and provide DEOs information on who to contact while you are away if needed as well as what to expect for activity/vehicles at your home.
