Type of Proposed Structure / Facility (check appropriate box below):

☐ New Mobile Service Facility	☐ Class 1 Collocation	☐ Class 2 Collocation
--	--	--

Submittal Requirements:

New Mobile Service Facility

- An explanation as to why the Applicant chose the proposed location and why the applicant did not choose collocation.
- A sworn statement from an individual who has responsibility over the placement of the mobile service support structure attesting that collocation within the applicant's search ring would not result in the same mobile service functionality, coverage, and capacity; is technically infeasible; or is economically burdensome to the mobile service provider.

Class 1 Collocation – Substantial Modification

- A construction plan which describes the proposed modifications to the support structure and the equipment and network components, including antennas, transmitters, receivers, base stations, power supplies, cabling, and related equipment associated with the proposed modifications.

Class 2 Collocation – Not Substantial Modification

- A construction plan which describes the proposed mobile service support structure and the equipment and network components, including antennas, transmitters, receivers, base stations, power supplies, cabling, and related equipment to be placed on or around the new mobile service support structure.

Application Fee:

New Construction or Substantial Modification of Facilities and Support Structures (i.e., Class 1 Collocation): \$3,000.00

Class 2 Collocation: \$500.00

Consultant Fees:

The Village may retain the services of professional consultants to assist in the review of a proposal coming before the Plan Commission and/or Village Board. The submittal of an application under the zoning ordinance shall be construed as an agreement to pay for such professional review services.
