

AT&T Fiber Installation Project – Town of Sturgeon Bay

Meeting to discuss locations

When: Fri Mar 13, 2026 1pm – 2pm (CDT)

Where: Microsoft Teams Meeting (see below)

Robyn @ AT&T has organized a virtual meeting for the following purpose:

“Review and discuss a few address locations currently on our list for the Town of Sturgeon Bay build. We have a few questions about the validity of these addresses and whether fiber services are needed at those locations, and your input would be incredibly helpful. The call should only take about 30 minutes, and we plan to share images highlighting the specific locations for your review and feedback.”
