

Door County Transportation Department Newsletter 2026 Service Overview Quarter 2

Get Connected. Get on Board.

The County of Door operates public transit services through its Transportation Department located at the Aging and Disability Resource Center. Public transit services do not have eligibility requirements. Therefore, anyone can ride for any reason. Services are offered through Door County Connect (DCC) and Door 2 Door Rides (D2D). Please see next page for service details.

Ridership:

Door 2 Door Rides provided 37,938 rides in 2025. Through June 2026, D2D provided 20,974 rides.

Door County Connect provided 6,072 rides in 2025. Through June 2026, DCC provided 3,074 rides.

Driven to Succeed: Transportation & Career Fair:

There were over 30 businesses and organizations at this year's event. The Door County Connect bus provided a shuttle service for almost 90 children from the YMCA's summer camp to attend. It was a busy morning! The goal to combine transportation and careers was to connect employers and educators with people who may be interested in a transportation related field. The event expanded from this idea to offer a variety of job openings, career opportunities and community resources for attendees. One attendee shared, "I learned so much about services I didn't know we had in our county, or I didn't know as much about them." The planning committee will be meeting to discuss next year's event. If you are interested or want more information, please contact Pam at 746-5982 or pbusch@co.door.wi.gov.

Rural Transit Day Events:

Rural Transit Day, which is celebrated annually on July 16th, honors the passengers, agencies, and frontline staff who rely on and operate essential public transportation in remote communities. To celebrate, the County is offering **no cost** rides to passengers with Door 2 Door Rides and Door County Connect on July 16th. Transportation staff will be celebrated during a picnic on July 14th. The picnic is sponsored by the Door County Medical Center again this year.
