Dear Board Members,

We truly value the strong partnership between the school district and our local municipalities. As we prepare for our upcoming operational referendum, keeping our local leaders informed remains a top priority for us.

We know how valuable your meeting time is, and we are so grateful for how generous you've been in allowing us on your agendas in the past. To help save you some of that precious time, we would love to invite you to join us at one of our district-hosted Information Sessions instead. These sessions will be a great opportunity to learn more about the district's financial needs and the specifics of the referendum.

Here are the upcoming opportunities:

Please Join Us!

- **Wednesday, September 16** – 6:00 PM (Auditorium)
- **Tuesday, October 6** – 6:00 PM (Auditorium)
- **Wednesday, October 28** – 6:00 PM (Auditorium)
- **Sunday, November 1** – 11:00 AM to 2:00 PM (Information Table)

Of course, if you would still prefer us to come to you, we are more than happy to provide a brief presentation and Q&A at one of your upcoming municipal board meetings—just let me know what works best for your group and we will get it scheduled.

Finally, to help us reach as many community members as possible, I have attached a flyer detailing these sessions. We would be incredibly grateful if you could post it in your municipal buildings or share it through your communication channels so your residents are aware of these opportunities.

Thank you for your continued support, collaboration, and everything you do for our community. We hope to see you soon!

Engage. Empower. Excel.
