Unusable or unwanted chemicals are considered household hazardous waste when their disposal poses an environmental or health threat. When disposed of in the garbage, down the drain or on the ground, some household chemicals can threaten our environment, harm garbage collectors or hurt you.

- Aerosols with contents remaining
- Driveway sealer
- Gasoline and other fuels
- Mercury thermometers
- Nail polish
- Paint (liquid only)
- Paint stripper
- Paint thinner
- Pesticides
- Sharps
- Varnish
- Wood preservatives

If you need help identifying the proper way to dispose of materials, scan the QR code with your phone's camera, or go to **AnokaCountyMN.gov/recyclingdirectory**.

Items labeled with the words:  
**Caution, Warning, Danger, Poison, Combustible, Corrosive, Flammable and Toxic** are accepted.
