## Drought Response & Community Updates Watering Restrictions & Upcoming School Bond Discussion

Dear Highland Haven Residents,

As our region continues to experience drought conditions, I want to remind everyone of the City's Drought Contingency Plan that went into effect in 2024. At our current drought stage, irrigation using hose-end sprinklers or automatic systems is limited to Sundays for even-numbered addresses (0, 2, 4, 6, or 8) and Saturdays for odd-numbered addresses (1, 3, 5, 7, or 9), between midnight–10 a.m. and 8 p.m.–midnight. At our current stage, watering is only permitted on designated days using hand-held hoses, buckets (five gallons or less), drip irrigation, or automatic sprinkler systems—hose-end sprinklers are prohibited at all times. These restrictions apply to all residents, regardless of whether you use lake water, city water, or a private well. Your cooperation is essential, and we appreciate your efforts in helping to protect our water resources. If you have any questions, please reach out to City Hall.

In other news, we're pleased to welcome the Marble Falls ISD Superintendent to our next Board of Aldermen meeting on Tuesday, April 1, at 7 p.m. at the Community Center. The superintendent will present details on the district's upcoming bond election, offering insights into proposed projects and funding that could impact our community. This is a great opportunity to learn more, ask questions, and share your thoughts. I encourage everyone to attend.

Stay informed, stay involved, and thank you for being an engaged part of our community!

## Legislative Issues

[www.highlandhaventx.com/legislative-issues/](http://www.highlandhaventx.com/legislative-issues/)

The City of Highland Haven's Legislative Issues page provides residents with up-to-date information on state legislation that may affect the community. It includes a list of relevant bills from the 89th Legislative Session, Resolution 366 opposing Senate Bill 19, and Resolution 364 outlining the city's legislative priorities during the 89<sup>th</sup> Legislative Session.

The page also offers resources for contacting representatives, tips for effective advocacy, and links to the Texas Municipal League's legislative information. Residents are encouraged to stay informed and participate in local and state governance by utilizing these resources.

## City Comprehensive Plan Update

### *Next Steps for Community Input*

Highland Haven is making progress on updating its Comprehensive Plan, and we appreciate the valuable input from our residents in the city-wide survey. The results have been reviewed by both the Planning & Zoning Commission and the Board of Aldermen and are now available online for public viewing.

To view the results, please click this link: [Highland Haven Survey Results](#)

As we move forward, the Planning & Zoning Commission and Board of Aldermen will identify 3–5 major themes that emerged from the survey results. These themes will serve as a foundation for deeper discussions about the city's future. To ensure community voices continue to shape the plan, we will be hosting town hall meetings and focus groups where residents can engage in more detailed conversations, provide feedback, and collaborate on potential solutions.

Your participation is essential to making this plan truly reflect the needs and priorities of Highland Haven.

Stay tuned for upcoming dates and details on how you can get involved!
