

Burning ordinance changes
Aug 11, 2014

The Village of Withee Board at the August 11, 2014 meeting approved changes to the burning and recycling ordinances. The major change was to not allow the burning of leaves, brush and other vegetative debris. These materials will need to be taken to the Village compost area. The other change was to the recycling ordinance that yard waste may not be burned. If there are any questions regarding this change, please contact the Village clerk at 715-229-4319. You may also view the entire ordinance at the Clerk's office at 511 Division Street.

Thank You!
