Operator's Application

The applicant must be at least 18 years of age when the license is issued.

The applicant must not have been convicted of a felony or be a habitual law offender.

The applicant must have successfully completed an approved responsible Beverage Server training course. Applicants are not required to complete the training course if they are renewing an existing operator's license but have completed the training course within the last two years; or have held a retail license, manager's license, or operator's license anywhere in Wisconsin within the last two years.

An application for an operator's license must be made in writing to the municipality where the applicant intends to serve alcoholic beverages.

The applicant must pay any fee established by the municipality for the operator's license, if applicable. The validity of an operator's license is valid only in the municipality where issued, but may be used at any premises within that municipality.

An operator's license is issued annually according to municipality ordinance.

Operator's licenses expire on June 30 for all municipalities and are due to the Town of Friendship June 1 to be approved for the July 1 deadline.

Applications received after June 1 will be assessed as a late fee as an additional town meeting needs to be held to approve the application.
