Bond Requirement

As a condition of this permit, the contractor shall provide a valid surety bond with a \$ _____ payable to the Town of Friendship. In addition, a copy of the surety bond with the third party is required with this application and on file with the Clerk before work can be performed.

This bond is required to:

1. Guarantee compliance with all permit provisions, ordinances, and regulations.
2. Protect the Town against damage, defects, or noncompliance resulting from the contractor's work.
3. Remain in effect until all work has been completed, inspected, and approved by the Town.

A copy of the bond must be filed with the Town Clerk prior to commencement of work. No work may begin until the bond is received and approved.

Conditions

By signing below, the applicant understands and agrees that permitted work shall comply with all permit provisions and conditions attached to this permit application and in effect at the time of this permit application. List any other special provisions below or attach them along with all plans, details, maps and drawings and make a part of this application.
