By signing this permit, I agree to all the rules and regulations stated in **Ordinance 145 (amended): Regulating Any Outdoor Fires** and understand the consequences of violating the ordinance.

Rules:

- Any fire kindled or maintained in an outdoor container (fire ring) requires an annual permit issued by the Village Clerk-Treasurer.
- All fire rings cannot exceed 3 feet in diameter and must be 21 feet from any structures.
- Fire/flame cannot exceed 3 feet in height above the ground.
- No fire shall be left unattended at any time and must be supervised by an adult (18 years old or older).
- Only clean dry wood can be burned in a fire ring. Painted or varnished wood, wood with nails, or household waste or rubbish cannot be burned.
- The burning of garbage or refuse that smolders or gives off noxious odors is prohibited.
- All fires are prohibited when State or Local burning bans are enforced.
- Due regard must be given for neighbors (consider wind direction of smoke). Neighbor complaints of smoke may result in the fire being extinguished.
- Local police officers have the discretion and authority to revoke a permit.
