

RESOLUTION No. 347

Dairyland Rail Commission – Village of Dorchester

The Village Board of the Village of Dorchester finds that coordinated planning within the transportation corridor between Spencer to Medford supports regional economic development and long-term rail service. Under Wis. Stat. §66.0301, the Village of Dorchester joins with other jurisdictions in the corridor to form the Dairyland Rail Commission.

Exhibit 1, titled Intergovernmental Agreement, sets forth the purpose, structure, and cooperative framework of the Dairyland Rail Commission.

The Village Board approves the Intergovernmental Agreement and authorizes the President to execute it on behalf of the Village of Dorchester.

The Village of Dorchester appoints Keith Lageman as its initial representative to the Dairyland Rail Commission and Kurt Schwach as alternate.

Adopted this 4th day of March, 2026.

Keith Lageman, President
