

Town of Harrison Waste and Recycling Services Policy

Under the authority of ss. 66.0405 the Town of Harrison provides Curbside Waste and Recycling services for all of its eligible residents on an every other week schedule. Eligibility is defined as:

- All principal dwellings eligible for a lottery credit.
- All principal dwellings owned by another person owning two or less within the Town of Harrison and occupied for greater than 6 months yearly.

Eligibility will be determined by approval of the Town of Harrison Board as defined in the policy.

Each resident will be provided with one dumpster for waste and another for recyclables. Anyone who wishes to have an extra dumpster can arrange it with the Waste and Recycling provider at the owner's/renter's expense. If anyone, for any reason, does not want this service, they can opt out by contacting the Town Chairman.
